## Norwood League FAQ

**1. What is the Norwood League and who runs it?**

The Norwood League is a domestic basketball competition played afterschool and on Saturdays at the Campbelltown Leisure Centre. It is run by the Norwood Flames Basketball Club which is a non-for-profit organisation that is one of the oldest and most successful clubs in Adelaide.

**2. Is the stadium air conditioned?**

Yes. The Campbelltown Leisure Centre is the only stadium in the North East area with air conditioning, which means games are not cancelled due to heat.

**3. Can we pay our Game Fees in one payment for a term?**

Yes! You can now pay for your game fees in a lump sum for the whole term. Please let us know if you would like to do this and we will organise an invoice to be sent to you/your school.

**4. Where can I find the schedule?**

The results, fixtures and ladders are all available on [www.norwoodbasketball.com.au](http://www.norwoodbasketball.com.au) →

Fixtures/Results → Norwood League. If you have any trouble finding it, please ask one of our friendly staff to show you.

Schedules are updated weekly, so please check your game times regularly.

**5. Why is the year 2/3 competition only \$5 to play?**

The year 2/3 competition only runs 15 minute halves, compared to 20 minutes for 4/5's and 6/7's.
