### CABL WOMEN HEAD COACH

The Norwood Basketball Club (The Flames) was established in 1946, and is affiliated with Basketball Adelaide and Basketball South Australia and participates in all competitions under their auspices. This includes the Central Australian Basketball League ("CABL"), the premier basketball competition for South Australia's elite men's and women's teams.

The Club seeks to appoint a Head Coach to its CABL Women's program. The program has been successful for an extended period, winning championships in 2012 and 2013, runner-up in 2011 and third placed in 2014.

Expressions of Interest (in the first instance) or Applications are sought from suitably qualified, motivated individuals, and these will be treated in the strictest confidence.

Applications should be in writing, and include a resume and covering letter. It is preferred that applications address the relevant *Job and Person Specification*.

Ideally the successful applicant will be available to be involved to some extent with the summer season commencing mid-October 2014.

Should you have any queries, or wish to derive a copy of the *Job and Person Specification*, or submit an Application, please use the following Primary Contact details.
