

**NORWOOD FLAMES**  
**UNDER 23 BOYS - SUMMER 2019/2020**

**Please note:**

**If your name is not on either list please contact Travis via email.**

**This may be for the following reasons:**

- **The player failed to attend either notified trial session without contacting the club**
- **The player hasn't filled out the ITP form**

**\*There may be possibilities to move into a squad despite the above reasons. This may mean the player beginning in a lower division than they feel they deserve to be in.\***

Squads are currently flexible. No player's position is guaranteed and will need to be officially accepted via text message to your squad coach.

\* There is room for movement between squads and up to Premier League/Reserves Squads throughout the year. Currently squad 1 will need to be cut back to 18-20 MAX.\*

Conditions of acceptance:

1. You will be the primary point of contact from now on. If there is a reason for you to be missing trainings and or games it is YOUR responsibility to contact your coach. Not your parents'.
2. You will attend all training sessions set by your coach and or squad coach throughout the year. If you can not attend you must contact your coach ASAP

\*Please note:\*

We are still seeking coaches for division 2/4/5. Any players that know of someone who is willing to volunteer their time should contact the head coach of the program. Teams will still go ahead and ultimately it will be player-coached until a coaching position is filled.
